Proposal

Park County Government Communications Division

Date: May 11th 2023

To: E911 Board

From: Communications Director/Maria Mitchell

Subject: Purchase of 2 New chairs and 70% of salaries covered by E911

1. 2 gaming chairs are needed to replace current chairs that are breaking. Gaming chairs have been recommended by one of the dispatchers who has the same model recommending for comfort, ergonomics and adjustability. The cost for 2 chairs is 300.00 which is less expensive than office chairs. The current chairs in the 911 Center have been in service for 4 years. We need to replace 2.
2. The County manager has asked the E911 Authority to consider covering 70% of 911 Center employee salaries. Currently the E911 Authority is covering 60% of salaries.
